

# Chartered Banker

Leading financial professionalism

## On-Line Examination Update – September 2008

Following our announcement in April of this year, the conversion of Chartered Banker and related Certificate and Diploma examinations to an on-line and on demand basis is progressing well.

The tables below indicate the current status of each subject and we will keep you updated as we make further progress, so please keep checking the website for more news.

When you are ready to book an exam you log onto [www.charteredbanker.com](http://www.charteredbanker.com) and follow the instructions in the **members' area**. If you have not used the members' area before, you must complete the registration process before you can gain access. Once into the members' area, you can enrol for exams under the section entitled 'Your Education.' You can then choose your own date for the exam, this normally being between 2 weeks to 5 weeks ahead.

Alternatively you can book by phoning **0131 473 7777** during office hours. Please ensure that you have your Membership Number available when phoning.
